

# EMAGIN CORPORATION GENERAL TERMS AND CONDITIONS For Customers and Sales

---

*Effective Date: October 2024*

## **1. ACCEPTANCE – AGREEMENT**

All purchase orders (“Orders”) shall be in writing and subject to written acceptance by eMagin Corporation (“eMagin” or “Seller”). If for any reason eMagin should fail to accept in writing, eMagin’s commencement of work on the products subject to the purchase order (the “Products”) or shipment of the Products, whichever occurs first, shall be deemed an effective mode of acceptance. These Terms and Conditions of Sale and any attachments (“Terms”) shall control over any additional or different terms or conditions on any request for quotation, purchase order or other documentation of Buyer, notwithstanding any provision to the contrary in such document; provided, however, that these terms and conditions are superseded by those appearing in any applicable written eMagin quotation. Neither eMagin’s commencement of performance nor delivery shall be deemed or construed as acceptance of Buyer’s additional or different terms and conditions.

## **2. PRICE QUOTATIONS**

Price quotations are only solicitations for offers and not offers which may be accepted by Buyer. Unless otherwise agreed to in writing by eMagin, all quotations expire thirty (30) days after the date of the quotation. All prices quoted are valid only if Buyer’s requested delivery date (including any change orders) is within twelve (12) months of the date of the applicable Order.

## **3. TAXES**

Unless otherwise agreed to in writing by eMagin, all prices quoted are exclusive of any federal, state, municipal or other governmental taxes, duties, excise taxes or tariffs. Buyer agrees to pay such charges unless Buyer has provided eMagin with an exemption certificate acceptable by eMagin and the applicable authority. When applicable, such charges shall appear as a separate item on eMagin’s invoice.

## **4. PAYMENT**

Payment is due at time of order unless credit terms have been established with eMagin. If credit terms have been established, Buyer shall pay all invoices within thirty (30) days from the date of invoice, unless other terms are agreed to in writing by eMagin. All payments shall be made in United States currency, net of any wire costs, bank fees, currency exchange rates or other similar fees. eMagin shall have the right to cancel any previously accepted Order placed by Buyer, change the credit terms, or refuse or delay shipment if Buyer fails to meet payment schedules or financial requirements established by eMagin. If Buyer shall be at any time overdue on payments, eMagin may impose late fees at the rate of one and one-half percent (1.5%) per month, or such lesser amount as imposed by law, on the past due amount until Buyer is current on all past due amounts. The Buyer shall grant, and by acceptance of the Products, shall be deemed to have granted to eMagin a first security interest in all Products to secure payment of

the purchase price.

**5. VOLUME PRICING**

All price quotations are dependent on the quantity of Product ordered and can vary according to eMagin’s quantity discount tiers. In the event that Buyer’s purchase order is received with the number of units and/or price different from the terms of the eMagin quote provided, eMagin reserves the right to reject the purchase order. If the actual number of units invoiced under the terms of the relevant purchase order, including all change requests and addenda, is less than the applicable discount tier quantity and pricing requested on the original order, Buyer will pay eMagin for the difference in the selling price. The amount owed to eMagin will be calculated as the difference between the discount tier selling price for quantity quoted and the discount tier selling price for quantity delivered multiplied by the number of units actually shipped, and Table 1 set forth below is an example of this calculation. An invoice for such additional amount will be sent by eMagin to Buyer and eMagin reserves the right to reject any future purchase orders until this invoice is paid in full.

**Table 1: Amount owed if pricing terms of purchase order are not met.**

	Quantity	Price
Quantity Quoted	501	\$10
Actual Quantity ordered	400	\$11
Amount owed = (501*\$10) – (400*\$11) or \$5,010-\$4,400= \$610		

**6. DELIVERY**
